

RGTL10-10

TOOL LANYARD KINETIC™ WITH CHOKE LOOP

RGTL10-10

- Choke loop for attachment
- Lightweight swivel double action karabiner helps to avoid twists
- Unique serial number for traceability
- High contrast between webbing and stitch pattern for easy inspection
- Suitable to use with tools that have a captive handle/eye or to choke around/attach to our range of retro fit tool attachments
- A red indicator stitch will pop if the tool lanyard is involved in a drop, it must then be taken out of service
